

Cookie Policy

Foreword

No personal data is acquired from the site. Cookies are not used to transmit personal information, nor are used so-called persistent cookies of any kind, or users tracking systems.

Except for the data collected automatically (navigation data), the input of other information via email or predisposed forms is free and spontaneous and the omission can only result in a failure to satisfy the request.

Herewith we explain which and how many cookies are used on www.dafal.it

Which cookies are used and what are they for?

www.dafal.it uses different types of cookies and similar technologies, each of them has a specific function.

We offer you this information to keep to our commitment to communicate the recent changes provided by law and to ensure clarity with regard to the privacy related to our www.dafal.it website.

These conditions provide information about the type of cookies used and the method of management, control and removal.

Types of Cookie used by www.dafal.it

Navigational cookies

These cookies allow the website to function properly and allow the user to view the content of the website on the device, recognizing the language and the country from which the user logs on. Navigational cookies are technical cookies which are necessary for site functioning.

Analytical cookies

These cookies are used to process statistical analysis about how users navigate the website.

D.A.F. al. srl handle the results of these analysis anonymously and exclusively for statistical purposes only if the service provider uses cookies based on the browser or other devices used to navigate the website. The site uses some services of third parties who, in a completely independent manner, install their own cookies.

Social Network cookies

These cookies are necessary to allow your social account to interact with our website. They are used, for example, to make you express your appreciation and share it with your friends. Social network cookies are not needed for navigation.

How can I disable cookies and manage my preferences?

Most browsers are configured to accept, check or possibly disable cookies through the settings. We remind you though that disabling the navigational cookies can cause website malfunction and / or limit the service offered.

Cookies management

IE: <http://windows.microsoft.com/it-it/windows7/block-enable-or-allow-cookies>

Safari: <http://support.apple.com/kb/PH11913>

Chrome: <https://support.google.com/chrome/answer/95647?hl=it-IT&hlrm=fr&hlrm=en>

Firefox: <http://support.mozilla.org/it-IT/kb/enable-and-disable-cookies-website-preferences>

To disable the analytical cookies and prevent Google Analytics from collecting information about your navigation, you can download the browser add-on for Google Analytics Opt-out:

<https://tools.google.com/dlpage/gaoptout>.

Cookies acceptance and refusal

Continuing the navigation on this website by closing the information advertisement or by clicking on any part of the page or by scrolling to show additional content, you accept the www.dafal.it Cookie Policy and cookies will be set and collected. In case of non-acceptance of cookies by abandonment of the navigation, the cookies that are already registered locally in your browser will remain registered, but they will no longer be read or used by D.A.F. al. srl until the next and eventual acceptance of Cookies Policy. You will always have the option to remove these cookies at any time through the procedure set out in "Cookies management" paragraph.

Privacy Policy

In accordance with art.13 of the Italian Legislative Decree nr.196 of 30 June 2003, the present conditions describe the ways in which D.A.F. al. srl process users' personal data received via its website www.refractorieexperiencesrl.it and other means, except for external links.

Data controller

The data controller is D.A.F. al. Srl

Categories and nature of the data

D.A.F. al. Srl will process users' personal data collected during the navigation and use of the website and during the compilation of registration form and sending of other requests, through electronic and automated tools.

Purpose

The personal data will be processed for the following purposes:

- a) execution of obligations related to the use of the website, necessary for the registration and access to the restricted areas;
- b) to respond to specific requests
- c) comply with regulations
- d) The data collected will be used for commercial, promotional and informative purposes.

Obligation or discretion to provide data and consequences of a possible refusal

With regard to the paragraphs a), b) and c), the transfer of personal data to D.A.F. al. Srl is mandatory, and the processing does not require any consent. Any refusal to provide data can result in a failure for D.A.F. al. Srl to satisfy the request.

Processing methods

Personal data are processed by automated tools, with a logic that is strictly related to the purpose, for the time strictly necessary to achieve the purpose for which they are collected or to comply with the regulations.

Specific security measures are adopted to prevent the loss of data, illegal or incorrect use and unauthorized access. The information collected is stored in a secure environment.

Data communication

The personal data will not be disclosed and may be transmitted in Italy with regard to the aforementioned purposes, to third parties acting on behalf or in the name of D.A.F. al. Srl, that are in charge of customer care, lending institutions, consultants, outsourcers, etc..

With regard to the aforementioned purposes, the data may be shared with the staff of D.A.F. al. Srl or its controllers.

An updated list of data controllers is available at the company's headquarter.

Rights of the person concerned

We hereby inform you that the Privacy Policy confer you specific rights.

In particular, at any time, you can obtain:

- a) confirmation of the existence of personal data concerning you, even if not recorded yet, and their communication in intelligible form;
- b) indication of the source of the personal data, the purpose, the processing methods and the logic applied in case of electronic processing;
- c) indication of the identity of the owner, of data controllers and people or categories of people to whom personal data can be communicated or that can be informed about them;

- d) updating, rectification, data integration, as well as cancellation, anonymization or blocking of data processed unlawfully, including data whose conservation is unnecessary for the purposes for which the data were collected or subsequently processed;
- e) certification that the operations referred to in subparagraph d) have been notified, also with regard to their contents, to those to whom the data were communicated, except where such compliance is impossible or involves a manifestly disproportionate effort compared to the right protected. The person concerned, in accordance with art. 7 of the Privacy regulations, is also entitled to oppose for legitimate reasons, to the processing of personal data, even if pertinent to the purpose of the collection as well as to the processing of personal data for promotional communications transmission or for other purposes for which consent has been released.

Italian Legislative Decree n.196 / 2003, Art. 7 - Right to access personal data and other rights
<http://www.camera.it/parlam/leggi/deleghe/03196dl.htm>
